HORSEBACK RIDING - Montara Farm

AND LEARNING HORSE SENSE

Our Horseback Riding Programs are open to groups of 6 or more, by reservation only.

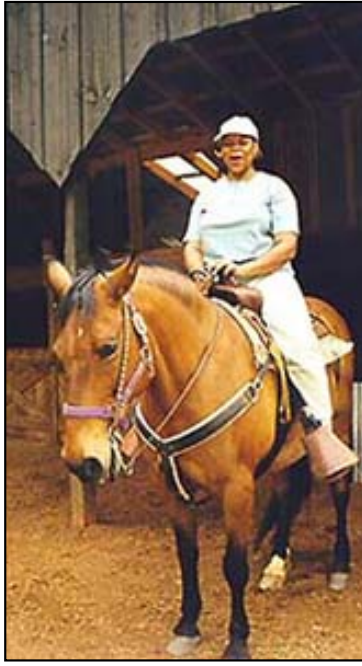

Horseback Riding at Montara Farm

**Two hour customized trail ride is \$65 per person
Minimum 6 riders / Maximum 15**

No riders under 12 years. Weight limits enforced where applicable, all riders must have medical insurance, wear proper attire and sign waivers.

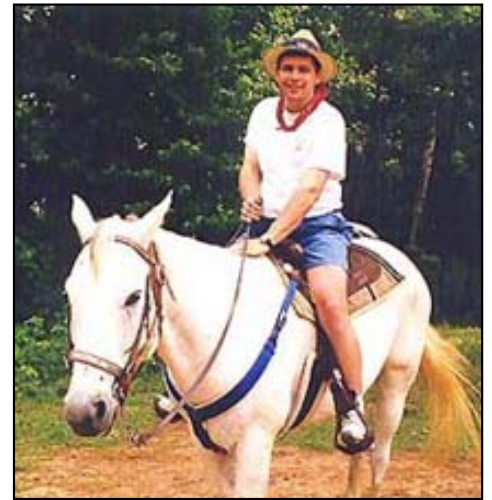

Trail Rides - Montara Farm

**Ride our
600 acres of
pastures,
woodland
and
mountain
view trails.**

Our 25 horses have been carefully selected and trained to respond to all levels of skill from the beginner to the accomplished rider.

Enjoy a day in the mountains riding horseback along with your teambuilding meetings and seminars

Each 2 Hour Trail Ride is guided by 1-3 wranglers who coach you throughout the ride. We begin with a lesson and a riding ring exercise, prior to "hitting the trail". Rides are held to the lowest level of skill, however during a group ride one wrangler may take a few of the more accomplished riders on a faster guided detour.

SPECIAL LEADERSHIP PROGRAM

HORSE SENSE

- Understand your leadership style from working with our four legged consultants – find out how horsemanship relates to your interaction with others on your team
- Watch how the individual horses and the herd behave and relate it to your group experiences at the office
- Improve your people skills by improving your equestrian skills.
